Canyon Lake Men's Golf Club Mission Statement

Promote Honesty and Integrity in the game of golf.
Promote the enjoyment of, and participation in, the game of golf for all members. Arrange games and tournaments that are fun, fair and inclusive. Provide financial disclosure and administer the Club's assets in a professional and business like manner.
Promote sportsmanship and care for the golf course.

President's Message by Tom Scudieri

As you all know, by now, Ellie Clow passed away. Ellie was one of the best known and liked people in Canyon Lake. She will be missed by all. Currently there is no other information on showings or family wishes. When more is learned it will be passed on to you.

June Solstice was Wednesday, June 21st and summer has officially started. The course is in great shape and the President's Cup tournament is in full swing.

We just finished the three day "Club Championship" tournament. We had over 60 participants and everyone had a great time. Congratulations to our top 4 gross players, Derek Jones, Dan Rawlins. Marcos Schonabaum, Phil Warren and the overall Net Champion, Tom Faia.

Our next tournament is the "**Stag Day Tournament**" on September 9th. We are expecting a full field for this tournament. This is a **VERY** important tournament. The proceeds from the ticket sales, drawing sales and the 50/50 boards sales go toward the Member/Member tournament on November 18th & 19th. Don't forget, you have a chance to win up to \$5000 on the drawing and up to \$1000/\$500/\$250 on the 50/50 boards. All CLMGC Board Members now have the Stag Day Tournament tickets. Get your tickets early.

We have been using "Live" scoring during our Wednesday game for 4 weeks. It seems to be working well. It's fun to be able to see where you stand, in the game, during the round. Another added benefit is it helps Chuck with scoring entries, accuracy and him getting the results out, to us, in a timely fashion. If you haven't been using Live scoring, start. If you need help with the application, just ask someone. It's easy to use.

REMINDERS:

1. Fill in Your Divots.
2. Post your Score the same day you play.
3. 2 people per cart.

President's Message

By
Linda Johnson

As I compose my monthly letter, we are finally seeing the sun, and June Glum is behind us. Our Senior Tournament is under way, led by Ura and the C.L.I.P.P.S. This tournament has two parts, the net-gross flight winners and the Super Senior flight winners. Always a fun two day event for our ladies.

Breanna Nobel, our Junior Golf Member, was the top qualifier in the SCGA Women's Amateur qualifying tournament with a 71!!! She now heads to the 2023 SCGA Women's Tournament in San Diego. We are very proud and happy to have Breanna in our club and in our community. Speaking of Junior Golf: the Junior Golf Camp begins next month. We always enjoy helping with this event, at the check in table, every day. And at the barbeque-awards at the end of the event. We had sadness in our club this month, with the loss of our Ellie Clow. She was a very special member; you may remember seeing her beautiful picture on our Past Presidents wall. Her two daughters, Sandee and Jill, are members of our club. She will be very much missed by all who knew her.

The last Twilight of the year has been played this month. Norma and Bruce Yarbrough have managed this, golf with dinner at the park, for many years. They are stepping down and we are hoping someone will step up to continue this event next year. Thank you Norma and Bruce for a job well done.

We have three new members, Barbara Mensch, Carrie Collins and Shelley Carter. Welcome ladies. Babette and Donna are planning a 'Big-Little Sister' tournament later this year. Happy Father's Day to all the dads, grand-dads, grand-papas, and grandfathers.
Linda

Instructions for determining the Most Improved Golfer

Add 12 to the player's Handicap Index at the start date. This value is A. Add 12 to the player's Handicap Index at the end date. This value is B.

Divide value A by value B, calculating to three decimal places. This is the improvement factor. The player with the highest improvement factor should receive the most improved player award.

Example:

Starting Handicap Index: 24.3 | Ending Handicap Index: 16.2

Value A: $24.3 + 12 = 36.3$ | Value B: $16.2 + 12 = 28.2$

A / B: $36.3 / 28.2 = 1.128$

Improvement factor: 1.128

Wet Bunkers:

Drains in the bunkers have become clogged and the water from rain and irrigation drain slowly creating puddles and wet sand. The sand becomes quickly contaminated. If the bunker drains slowly, the water is bringing fines to the surface of the sand making the material more dense as water struggles to get through. Also, the sand breaks down because of foot traffic, raking and general bunker maintenance and causes a very fine silt. Overspray from irrigation mixes with the silt and creates a hardening effect. Additionally, dirt from the bunker floor becomes mixed with the sand along with golf course debris that blows into the bunker. When a bunker gets washed out it also brings foreign dirt into the bunker. Contaminated sand clogs bunker drains even more. This Winter's extreme rainy weather is also a contributing factor to the contamination. According to several golf associations (like the USGA Green Section), the life cycle of a bunker is 5-7 years. Currently our bunkers are approaching 8 years old since they were last re-worked, so it's not surprising we are experiencing drainage problems. However, the warmer summer weather should help dry the bunkers out in the coming weeks.

Other notes:

Please ride two to a cart to decrease the amount of carts out there that cause compaction of our turf and please keep carts away from the greens and collars!
